## **Open Storage Solutions Named to CRN Solution Provider 500**

List Ranks North America's Largest 500 Technology Integrators

**Brampton, ON, June 8, 2015** – Open Storage Solutions, Inc, a leading data protection company, today announced it has been named to The Channel Company's 2015 CRN® Solution Provider 500. The annual list, spanning eight categories, from hardware and software sales to managed IT services, recognizes the top technology integrators, MSPs and IT consultants in North America. Solution providers are ranked based on product and services sales during 2014.

"We are delighted to be included in the top 500 in North America," said Andrew Betterton, President and CEO of Open Storage Solutions. "We have consistently been on the list for a great many years and we are pleased to be on the list once again."

"The companies represented here are truly dedicated to the needs of customers today. With an evolving IT landscape, this prestigious list serves as a valuable industry resource to help vendors navigate the solution provider community and identify the best partners for their business," said Robert Faletra, CEO, The Channel Company. "We congratulate the featured solution providers for their forward-thinking approach to solutions sales and look ahead to their continued success."

A sample of the 2015 Solution Provider 500 list will be featured in the June issue of CRN, and online at [www.CRN.com](http://www.CRN.com).
